We love them when leashed and picked up after! They must be accompanied by their master when outside. Pets cannot disturb others, so please control their barking or meowing accordingly! No aggressive dogs allowed.

5. Do you allow visitors?

Facilities in this campground are for use by registered guests only. Visitors are required to register and pay day-use fees at the Office before entering the campground. All visitors must leave the campground by 10:30 p.m., unless registered as an overnight guest. Please register overnight guests by 8:00 p.m. in the Office.

6. What camping equipment is allowed per site?

We allow only one RV and one vehicle per site. A small "pup" tent is allowed for immediate family currently living in the registered guest's home. Maximum limit of people per site applies.

7. What are the policies surrounding use of the campground's "FUN!" activities?

Playgrounds, water slide, bouncy houses, swimming pool, basketball court, etc. are provided at your own risk. We strive hard to follow strict safety guidelines but due to the outdoor rugged nature of camping, we ask that you inspect all equipment and activities for safety. Please report any concerns to the Office. The activities require staff monitoring when in use. Please do not play on or near equipment after dark or when un-staffed for your and others' safety. Certain activities require arm bands and/or releases signed by parent or guardian prior to participation. See the Office for schedules and details. All playgrounds close at sunset.

9. Is there a speed limit in the campground?

Yes. The speed limit is 5 mph. Please protect our children! Drive slowly and watch for kids on bikes. No bicycle riding after dark. Motorized vehicles must be insured and operated by licensed drivers only.
